

Eddie Lawler Bio

I moved from Saltaire to Scarborough in February 2018.

Back in West Yorkshire on occasion.

I continue to support the aims of Friends of Bradford's Becks (see 'em on Facebook) with what has become my signature tune.

Have appeared on BBC Look North, BBC Radio Leeds, Bradford Community Broadcasting. More recently on two of the three radio stations in Scarborough, on BBC Radio York and on Tempo FM from Wetherby

Have trodden the boards with Paper Zoo Theatre, and with Bradford's Shakespeare group ACT, for whom I've also written incidental music. Hope to see my musical works (Saltairy Tales, Bells) back in business some time, likewise plays about German author Wolfgang Borchert and Yorkshire "star" Blind Jack Metcalf.
