

Neil Hanson is a successful author with 70 published books to his name. As well as his own, much-acclaimed work, he's also a "ghost writer" for, among many others, sports stars, showbiz legends, captains of industry, SAS men, fast-jet pilots, a treasure diver, an explorer, a kidnap negotiator, a leading surgeon and a spy. An award-winning speaker, he has entertained audiences at every type of occasion - corporate events, conferences, festivals, luncheon clubs, dinners and banquets - throughout the UK and right across the USA, Australia and New Zealand.
